Come explore the 160 acres in Reno County where we share in the camping and training adventures in the Boy Scouts of America. CK is open for unit camping throughout most of the year. Plan a hiking trip around the camp perimeter, or learn how to canoe on our spring-fed lake. Camp Kanza's year-round mission is to provide an opportunity for Scouting units to have fun, learn skills, and practice Scouting programs in the outdoors under their own leadership.

Camping Permit Fee is \$20 per group, or sign up for a Service Project with the Camp Ranger.
