want to do NOW! Don't make
them wait until Summer Camp!**

How would you like the opportunity to introduce your Cub Scouts to many of the awesome activities that Scouting has to offer?

How great would it be to get to do those Summer Camp type activities now rather than waiting until next Summer?

What about getting a chance before cold temperatures get here to spend a little quality time with your youth outside at the astonishingly beautiful Quivira Scout Ranch located in the picturesque Flint Hills Area?

Does any of this sound good to you???
