

Camp Operations Update For Packs and Cub Families

Dear Scouters, it is with true sadness that Quivira Council will not be able to offer resident camp opportunities for Cub Scouts in July. The Ad Astra Plan for Recovery issued by the State of Kansas and the recent announcement of Phase 1.5 has altered our plans significantly. After careful consideration, Quivira Council has decided that it is in everyone's best interest to cancel all Summer Resident Camp operations for Summer 2020. This decision was not made lightly and saddens us deeply, but we feel it is for the safety and wellbeing of all our Scouter's.

We are working on late summer weekend opportunities and will share when the governor gives the all-clear. Please check www.quivira.org for updates.

Camp Refund Requests

Refunds already submitted for Packs, Troops, or individual youths/adults will be processed over the next several weeks and issued in late June. If your Troop has not already submitted a refund request, there is no need to submit a separate application. Understand that your camp and your camp staff will miss you very much this year. Quivira Scout Ranch will always be your camp home, and we look forward to seeing you in 2021!

Be well and Scout Strong!
