

## INSTRUCTIONS FOR APPLYING FOR YOUTH REGISTRATION FEE FINANCIAL AID

Membership support and Camperships have been a part of the Quivira Council since its inception. It is our desire that every youth involved in our programs has equal access to the adventure, learning, and fun of the outdoors. To that end, the Quivira Council sets aside funds each year to provide [Registration Financial Aid](#) for youth who would otherwise be barred from participating due to an inability to pay.

- Registration assistance is half of the registration fee. (\$66 Registration) \$33.00 dollars will be the fee if the assistance request form is submitted and approved.
- If it includes being a new member, *here is an example*: If a youth is applying for registration assistance, it would be (\$66 registration) \$33 dollars + \$25 dollars= \$58.00
- A youth **CANNOT** receive registration assistance and Aetna at the same time.
