

White Buffalo District / Quivira Council

WEBELOS WOODS @ Harvey County West Park 2021 PLANNING GUIDE

The Most important part of any successful camping trip is planning! Please take a moment to read the following paragraphs-they will explain the plan for the weekend.

Check-In

Check in will begin Saturday at 7:00 am. Each unit will have a pre-assigned camping spot. Each camp area will have enough room for tents and -1- Trailer attached to -1- vehicle. All other vehicles will need to be parked in designated parking areas.

Packets given at check-in will have the following items enclosed:

- Campsite location
- Schedule
- Unit's rotation assignment
- Copy of the Leader's Guide

Pack Smart - Put as much equipment as you can into one vehicle. The fewer vehicles brought to camp the better. After you unload, please move all excess vehicles to the parking areas.

******Please arrive at camp with a Black Pug registration receipt, complete roster of Y & A, copy of the Council Covid form for each attendee A&Y, as well as a BSA Health forms (part A/B) for each attendee. These will be returned to you before departure on Sunday.**

Activities

Program begins with a flag ceremony at 8:30 am. Webelos Woods Programs will begin at 9:00 am. Please follow the rotation schedule

On Sunday, reveille will be at 7:00 am and a Scouts Own service will be held at 8:30am. Check out begins at 9:00 and all units must depart by 12:00 noon. Paperwork and patches will be handed out at checkout, after your campsite is inspected by staff.

Meals

Each unit is responsible for their own food and food preparation.

UNITS MUST BRING THEIR OWN TABLES

LUNCH - Units will have a 1 ½ hour lunch break to facilitate Webelos scouts preparing/cooking their own meals. Leaders, help your Webelos plan meals that will create confidence in them going forward. A little challenge can be a good thing.

SUPPER - Same plan for Saturday supper. Mealtime will be from 4:30 – 6:00 pm.

BREAKFAST - Sunday Breakfast 7:00-8:20

Plan on using charcoal or gas stoves as wood fires WILL BE banned at this event. Typically, Scout units cook on gas stoves. This would be a great opportunity to acclimate your scouts to stove cooking.

STAFF VISIT

6:30 – 7:30 Saturday evening Staff will visit each unit to provide: **Whittling Chip Training.**

Campfire

There will be 2 campfires on Saturday night. One for Webelos and a special one for AOL Webelos. Campfire will be run by staff so your unit can relax and enjoy the show.

Lights out

Lights out is 11:00 pm (for everyone).

Chapel

Remember a Scout is reverent and respects the rights of others to their religious beliefs. Chapel will be an interfaith service.

Clean em' up and move em' out

Everyone should police each campsite before leaving. Remember that a scout is clean and always leaves a campsite cleaner than when they found it. Camp closes at 10am, if you plan to stay longer, you must clear this with the staff and the Parks Ranger. Staff will be packing equipment and not able to provide any supervision.

Uniforms

As always, uniforms should be worn while traveling. Activity shirts may be worn during the activity session, but Field Uniforms should be worn to flags and campfire.

Rules to help you plan

- Remember that we strongly suggest one adult per youth.
- If a scout and an adult are sharing one tent, then the adult must be a parent or guardian of the scout. Adults sharing tents with youth is discouraged. **This is a Webelos Event and non-Webelos siblings are not allowed on camp.**
- The MAXIMUM speed in camp is about 10 miles per hour. If there are youth around then one must drive NO faster than walking speed (about 3 MPH).
- Please do not leave camp property without notifying the staff.
- We will have a medical team to help with First Aid or more serious problems and communication with the local hospital. Please inform us at registration of any serious medical conditions of which you are aware. Please report all major accidents to the Camp office.
- Bring a poncho, raincoat, or other rain gear with you. The show will go on rain or shine.
- No wood fires** will be permitted. If using charcoal, fire barrels must be used. Bring your own fire barrel if you plan to use one. It must be at least 12 inches above the ground.
- Make sure that all participants have a cup or water bottle with them at all times.
- Remember that we are here for the scouts, fun, and fellowship.
- If your scouts are getting tired toward the end of the day, don't force them to continue. Fun is the most important factor this weekend. Sit out a session and let them rest, it's OK. They will appreciate the weekend more.
